

## 15<sup>th</sup> Annual Jimmy Cason Memorial Golf Tournament

The Jimmy Cason Memorial Golf Tournament began the year after the Tacoma Fire Department and the Washington State Council of Firefighters lost one of our beloved brothers, Jimmy Cason. Jimmy was respected by many and through his tireless work and charitable fundraising he made our community a better place. This tournament was formed in an effort to honor Jimmy and carry on his dedication to helping others.

2012 marks the 15th year the Tacoma Firefighters have held this golf tournament and are pleased to support Communities In Schools (CIS) of Tacoma with its proceeds.

Communities In Schools of Tacoma mission is to surround students with a community of support, empowering them to stay in school and achieve in life. Communities In Schools connected over 4,200 students and their families with critical community resources last year, such as; backpacks, school supplies, uniforms, shoes, food, eye glasses, hygiene products, warm coats and clothes, bus passes, books, tutors, mentors, guest speakers, special fieldtrips, and job shadowing opportunities. 133 students graduated last year who otherwise would have dropped out if it wasn't for Communities In Schools of Tacoma. Visit [www.cisoftacoma.org](http://www.cisoftacoma.org) to learn more.

The Tournament will be held at Meadow Park Golf Course in Tacoma on July 13th. With a wide variety of sponsor packages being offered, I am confident there is one which suits you and/or your company. Please consider supporting this year's event by becoming one of the following sponsors:
