

The purpose of the Political Action Committee, or PAC, is to keep the Executive Board and the members of IAFF Local F-282 informed of any and all activities of a political nature. We try to stay current on any legislative issues that concern the Local and the IAFF. We lobby local and federal legislators on behalf of Local F-282, the WSCFF and the IAFF. We try to be fully knowledgeable and in complete conformance with all applicable state and federal laws, rules and regulations governing political action committees.

Inclusion in the PAC shall consist of those members of IAFF Local F-282 who actively participate in lobbying efforts of our federal, state, and local elected officials by maintaining continuous contact with legislators and/or their staff. It shall include anyone who participates in various rallies, meetings or fundraising events, and who actively participates in interaction with candidates and legislators.
